

RIDGELINE

RIDGELINE

[rij-lahyn]

noun

1. A line formed along the highest points of a mountain ridge.
2. An area of higher ground separating two adjacent streams or watersheds.

Welcome to Ridgeline - established in 2019 to cater to the training and support the needs of Military, Law Enforcement, and Civilian clients. Based in Dalton, NH, our Ridgeline Training Center serves as our operational hub. It offers unique training experiences such as Long-Range Precision Rifle shooting on a 1200-yard mountain wind course, engaging moving targets from a multi-story sniper tower, and practicing with pistol and carbine platforms around vehicles and structures.

Our exceptional courses utilize exclusive infrastructure, featuring over 400 steel targets, moving target systems, and more. Our skilled instructors, with over 100 years of combined Military and Law Enforcement Special Operations experience, form the Ridgeline Defense Cadre. They specialize in various areas, delivering instruction based on proven tactics and real-world know-how. Our Mobile Training Team (MTT) can also bring our curriculum to you.

Ridgeline Outfitters, an offshoot of our training business, offers a range of products from firearms to night vision and accessories. As our student volume exposes product shortcomings, we've developed solutions like the Ridgeline HOG Leash sling and DrOP Magazine mount. In this catalog, you'll find featured courses that exemplify our commitment to top-notch instruction, expert cadre, and an excellent client experience.

WELCOME TO THE RIDGELINE.

WHAT TIME DOES CLASS BEGIN?

All classes begin at 9 am. In 2025 Night Operator will begin at 4 pm (16:00) and Advanced Night Operator will begin at 6:00 pm (18:00).

HOW DO I CANCEL OR RESCHEDULE A CLASS?

As stated in our terms and conditions, all Ridgeline courses are non-refundable and non-transferable. Please ensure you are selecting the proper class at checkout. If you are unable to attend a course, and find someone to take your place, we are able to adjust names on rosters with notice ahead of time.

DO YOU SELL AMMUNITION?

Each course outlines the specific type and quantity of ammunition you will need. Students are responsible for bringing the recommended amount. The Pro shop has a very limited supply of ammunition in case someone is running low in a course but stock type and quantities vary and should not be relied upon for the class.

DO YOU PROVIDE ANY GEAR?

No, unless arrangements have been made in advance as part of private training. Please refer to each course's specific equipment list to ensure you have all the necessary gear.

DO YOU OFFER PRIVATE TRAINING?

Yes. Full day and multi-day private training can be booked. Rates are based on group sizes of 1-4, 5-8, or 9-12. Larger groups can be accommodated as well. Contact us at info@RidgelineDefense.com for additional information and rates.

MY FAMILY IS NOT ATTENDING THE CLASS, IS THERE ANYTHING NEAR BY FOR THEM TO DO?

The White Mountains are a great family area. Within 30 minutes of Ridgeline are several family-oriented activities. The base of Cannon Mountain has Echo Lake which sports a family friendly beach with many amenities. Whales Tale waterpark is located in Lincoln, NH. Story Land is located in Glen, NH. There is a tram to take you to the top of Cannon mountain or the Cog Railway will take you to the top of Mount Washington for incredible views. But most of all the area offers incredible scenery and many hiking trails from novice to expert as well as many rivers and streams for those who enjoy water activities.
